

## PRESIDENT'S MESSAGE

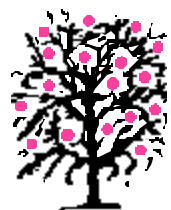

Finally spring has arrived and that means many things at Forest Bay. This season requires some effort towards making our community a beautiful place. Spring clean-up will take place Saturday, April 28 at 9:00 am and the front entrance flower planting will begin at 5:00 pm on Wednesday, May 23. Please consider volunteering some of your time assisting with one of these projects. Your community only improves with your help.

We welcome two new members to our Board of Directors: Shannon Smith and Denise Remick. Of course this means we offer our thanks and kudos to two departing Board members: Tom Slavik and Phil Siroskey. Tom has worked tirelessly as our dedicated President for the last four years. We all owe him our appreciation for his yeoman efforts. Phil Siroskey worked on the Architectural Review Committee for two years with an energy level that has helped make F.B. a great community. Thank you Tom and Phil.

Spring is also a time to start thinking about our summer social events. Anyone interested in coordinating any event, please contact a Board member. Summer events typically include the favorite Friday night happy hour, July 4th. bicycle and boat parade and summer picnics at the marina. Any ideas you have for fun-type events are welcomed.

I wish everyone a safe and enjoyable summer.

—Shelly Holtquist

The following brain teaser is addressed to the analytical of our community. The first to give me the correct answer (malibudoc@home.com) wins a bottle of blossom wine. *A tree has one blossom on it at the beginning of April. The blossoms double in area every 24 hours. It takes the entire month for the tree to be covered completely with blossoms. On what date will the tree be half-covered?*

## Ode to the Volunteer

Many will be shocked to find  
When the judgment nears,  
That there's a special place in Heaven  
Set aside for volunteers,  
Furnished with big recliners,  
Satin couches and footstools.  
Where there's no committee chairman,  
No group leader or car-pool,  
No eager team that needs a coach,  
No bazaar and no bake sale.  
There will be nothing to staple  
Not one thing to fold or mail.  
Telephone lists will be outlawed,  
But a finger snap will bring  
Cool drinks and gourmet dinners  
And rare treats fit for a king.  
Who'll serve these privileged few  
And work for all they're worth?  
Why, all those who reaped the benefits  
Yet not once volunteered on earth!

## Architectural Review Committee

Bob Gardel

Forest Bay is definitely a busy place with 16 new homes in the construction phase ranging from site preparation to final landscaping. In addition to those currently being built, the Architectural Review Committee has approved two additional site plans.

Safety is of major concern and we ask all parents to explain to their children the importance of staying away from construction sites. I know they are very attractive play areas but they are extremely dangerous and could result in your child's serious injury or even death.

I wish everyone a safe and fun-filled summer season.

**Forest Bay Garage Sale  
May 18 & 19, 9am to 2pm**

Ralph Marcus is recovering from a recent hospitalization and won't be able to contribute a column this issue. We all wish him a quick recovery

and I offer the following as a substitute.

You know you're a bad golfer if...

- More than once you have your club repaired because it "snapped."
- You have old balls in your bag specifically for over water shots.
- You refer to your driver as "Big Dog" but hit it like a little puppy.
- You can remember the one good shot you had all day.
- You're told "you're away" more than twice on the same green.
- Your ball retriever is the most often used piece of equipment in your bag.
- You think changing clubs will improve your game.
- You leave the flag in the hole in hopes it will stop your ball.

If anyone is interested in playing golf with neighbors on a regularly scheduled basis, contact Doc Campbell.

## Welcome to Forest Bay

Shannon Davis is not only new to Forest Bay but one of the newest members of the Association Board. Shannon would like to introduce her family. Along with husband, Rob, they have three children; Cole 5, Cody 4 and Cora 1. Rob and Shannon also welcome you to their business. Directly across the street, they own Club Royale Marina and offer dockage, storage, full mechanical and fiberglass repair, a water ski pro shop and boat sales. They specialize in Supra and Moomba ski boats and Donzi performance boats.

# Surf's Up

Gary Cunitz probably has enjoyed more varied experiences than most will in a lifetime. Born in Santa Monica, California, Gary was a member of the Junior Olympic Volleyball team while in

After graduation Gary was drafted into European professional volleyball. Volleyball is Europe's second most popular sport following soccer and is regularly played in stadiums seating 25,000 spectators or

Gary, encircled, with former volleyball teammates at Manhattan Beach.

high school. At 18 years he attended Pepperdine University as a member of its volleyball team. It was there his team won the NCAA tournament in 1978.

more. Gary was signed to a 3-year contract with Team Cinzano in Milan, Italy and, unfortunately, during his second year suffered a career ending knee injury.

Gary travels wherever the surf is best, regardless of political considerations.

Back in California following his injury, Gary began a gold import transportation business. He operated a courier service for European gold exporters. He would regularly move \$10 million of gold at a time to the United States, Central America and other parts of the world. Underwritten by Lloyds of London, Gary would arrange for the metal's shipment and re-sell surety insurance guaranteeing its safe arrival. A change in U.S. Customs laws and procedures made his business increasingly impractical and unprofitable. Gary decided to pursue a career in real estate.

While attending a California real estate course Gary met his future bride, Claudette. Claudette had moved from Michigan to California where she was employed as a fashion model. They fell in love, married and had two children, Chase and Cassidy. They agreed Michigan offered better opportunities to raise children and ultimately they found a home in Forest Bay.

Surfing is Gary's passion. He began the sport at 6 years of age and relates how, at 12 years old, he and a friend would sneak into Mexico, unbeknownst to his parents, to surf off the Baja coast. Too tall to be a professional surfer, he traveled with the professional circuit during his off-season from volleyball. Gary has surfed in such diverse places as Mexico, Hawaii, Thailand and Central America. During a surfing tour through Southeast Asia, Gary was the only one of his group who did not contract malaria.

Gary regularly reunites with his former traveling companions for surfing adventures. Recently they traveled to the Pacific Coast of Mexico, staying in small fishing villages or wherever they found excellent surf. These are pretty rugged adventures with spartan accommodations and no amenities. However, Gary claims the food in the little villages is outstanding. He has typically made a diet of Civachhi, a meal which is made of fresh fish diced and marinated in various concoctions.

Gary also reunited with his Italian volleyball team when they participated in the grand Manhattan Beach, California Volleyball Tournament. Teammates from Italy, Spain and Argentina joined

(See Gary on page 4)

## Marina News

**Boat Stickers** All watercraft must be registered. If you have a new boat, please register it by June 1st. Any watercraft docked in our marina which has not been registered will be assessed a \$25 per week fine. If you allow someone to use your slip, they must be properly registered. Registration forms are available from Marcus Management.

**Marina/Picnic Area** Any resident who wishes to use the marina for a gathering must apply for permission with the Forest Bay Board and follow the guidelines published in the Marina Rules and Regulations.

**Rules and Regulations** Any co-owner who does not have a copy of the Marina Rules and Regulations may request a copy from Marcus Management.

**Clean-up** Marina and Forest Bay common area clean-up will be Saturday, April 28th. at 9:00 am. Please consider helping.

*(Gary-Continued from page 3)*

Gary for the oceanside competition.

Gary's parents are from Germany. At the age of six, Gary and his parents moved back to the old country, near Wiesbaden, for two years. There Gary attended an English-German grammar school. He is fluent in German, the language he speaks with his parents.

Gary and Claudette were some of the very first residents of Forest Bay and have actively participated in our Association's parties and projects. Gary assumed responsibility for maintenance of the Forest Bay tennis courts and, along with Claudette, Chase and Cassidy, has volunteered many hours of labor to our community.

April 15th. Iooms and Albert Einstein said, "The hardest thing in the world to understand is the income tax."

## Funny Anagrams

An anagram is a word or phrase made by transposing or rearranging the letters of another word or phrase. The following, clever anagrams were created by someone who has far too much time to waste or is deadly at the game of Scrabble.

### Dormitory

When you rearrange the letters:  
Dirty Room

### Desperation

When you rearrange the letters:  
A Rope Ends It

### The Morse Code

When you rearrange the letters:  
Here Come Dots

### Slot Machines

When you rearrange the letters:  
Cash Lost In 'Em

### Mother-in-law

When you rearrange the letters:  
Woman Hitler

### Snooze Alarms

When you rearrange the letters:  
Alas! No More Z's

### A Decimal Point

When you rearrange the letters:  
I'm a Dot In Place

### Eleven plus two

When you rearrange the letters:  
Twelve Plus One

And for the grand finale-----

### President Clinton of the USA

It can be rearranged (with no letters left over and using each letter only once) into:  
To Copulate He Finds Intern.

## Ray Lewis

We mournfully report the untimely death of neighbor, Ray Lewis. Ray finally succumbed to cancer in January. He is survived by his wife, Fran, who lives on Forest Bay Drive. An account of Ray's brilliant engineering career was highlighted in the Summer, 2000 Bay Watch.

Ray Lewis (left) died in January.

Spring, 2001

Forest Bay Condominium Association

## Free Food and Beverages

by Debbie Aperauch

You read correctly. Your Forest Bay Association is offering free snacks and beverages. However, there is a catch. You must assist with either our annual spring clean-up or flower planting.

Forest Bay clean-up has been scheduled for Saturday, April 28th. with May 5th. as the rain day alternative.

Everyone is encouraged to help; the more who lend a hand, the quicker the work is completed. Adults and children alike are welcome. We will meet at the marina at 9:00 am. Coffee and doughnuts will be provided. This is our first social event of the year and it's a good way to revisit with hibernating neighbors and meet new F.B. residents.

I would like to add that while this is our *official* day set aside for clean-up, everyday should be a day you take pride in your neighborhood. Whenever you see litter on our common areas, please pick it up and discard it. If, during a walk around F.B. Drive, you see trash or discards on the street or a vacant lot, please help and *pitch in*. Working together we can keep Forest Bay a beautiful and inviting neighborhood.

The second annual Forest Bay flower planting party is scheduled for 5:00 pm on Wednesday, May 23rd. Again, adults and children are encouraged to help. We will be meeting at the association entrance. Bring your gardening tools. Treats will be provided and we hope the event

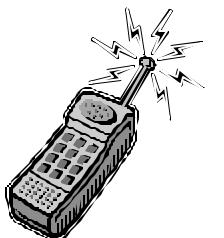

will be as successful as last year. We continually receive rave reviews from guests who appreciate the spectacular array of colors we display at the entrance.

Do you have any suggestions or desire to coordinate any future F.B. events? If so, please contact one of your Board members.

We solicit every-

one's input and I look forward to seeing you on April 28th. and May 23rd.

If we're going to have car phones I think we should have car answering machines: "Tom's at home right now. But as soon as he goes out, he'll get right back to you."

One Forest Bay resident anxiously awaits boating season.  
Picture was taken on April 3, 2001.
